Do you want to learn how to play the bass guitar quickly, but don't read music or have little to no musical experience? If so, this book is for you! Instead of standard music notation, this method uses tablature combined with rhythmic symbols to make learning fast and easy! Topics covered include: parts of the bass guitar * tuning * basic hand and finger positions * interpreting chord symbols and musical charts * major, minor and pentatonic scales * arpeggios * easy-to-interpret diagrams, photos and illustrations * and much more!.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
